As many of our customers and suppliers will be aware, Melbourne is under a severe stage 4 lockdown due to the rapid spread of COVID19 across the city.

This lockdown will continue for 6 weeks.

**SBA will continue to operate as normal with all employees working remotely from home.**

Since March 2020 SBA has successfully serviced our industry partners in Australia and International with Zoe and Renay working from home and myself working from home and the office.

Please contact us as normal via email:
